

Important Information

Here are your Policy identification Cards. Two cards have been provided for each vehicle insured. One ID card must be physically located in the proper insured vehicle. The duplicate card is for use when applying for new tags. Please destroy your old cards when the new cards become effective.

Only the Registered Owner(s) are listed on the Identification Cards. For a full list of drivers covered under this policy, please reference the Drivers section of your Declarations Page (page 5).

Notify us promptly of any change in your address, to be sure you receive all important policy documents. Prompt notification will enable us to serve you better.

If you would like additional ID cards, you can log into your policy online at geico.com or call us at 1-800-841-3000.
